Decorative Vases p.8-9

Available in a range of soft hues, and inlaid with traditional print decorations, Omotenashi's miniature decorative vases are a fantastic gift that can be personalised with something as simple and touching as a single flower, reed or other unique plant clipping. The finish and shape on each vase features slight variances, and each one is packaged in its own gift box.

Tea Containers p.10-11

Omotenashi's air-tight, double-lidded tea containers ensure that their contents are protected from UV exposure and humidity, extending the life and freshness of loose-leaf tea, ground coffee, or matcha. These tea canisters are beautifully hand-wrapped in traditional Japanese Washi paper spanning a wide range of both colourful and traditional motifs; the perfect gift to give your host when visiting as a guest, or for guests as a take-home souvenir on extra special occasions.
